All About Uniforms

Excell Academy is a “uniform required school” where students learn to take pride in wearing the school uniform. The uniform promotes school spirit, eliminates parent/child conflicts over clothing, and directs student energy to academics instead of fashion. School is the “workplace” of the children and they should be cleaned and dressed for school with the same care that adults prepare for their jobs. Students are expected to be well groomed with clean uniforms of the appropriate size.

All students must be in full uniform by the first day of school. Any and all situation must be approved by administration.
